

AS3 Virucidal Cleaner

Perfumed Germicidal & Virucidal Cleaner NW: 11111

Product Uses Virucidal Cleaner is an essential everyday product in the fight against cross infection. It is particularly suitable for use in the care sector. Also ideal for use in all public places including schools, sports facilities, gym equipment, hotel washrooms, animal handling etc. Bleach free, non-hazardous, non-toxic and safe to use on all common water washable surfaces. Virucidal Cleaner is pleasantly perfumed and leaves a freshly cleaned fragrance to rooms.

Directions For damp mopping and killing HIV or food poisoning bacteria dilute 1 part AS3 with 40 parts warm water. Mop or wipe surfaces down as normal and leave to air dry. For protection against Swine Flu and C. diff dilute 1 part AS3 in 10 parts water and trigger spray onto surfaces. Wipe with a cloth and leave to air dry. AS3 is QAC based and dilutions will be stable. Heavily soiled surfaces should be cleaned prior to disinfecting.

Composition	Virucidal Cleaner is a blend of advanced quaternary ammonium biocides and surfactants to produce a broad spectrum of killing power on a wide range of microorganisms
Appearance	Clear thin liquid
Colour	Purple
Density	1.04
pH	10
Fragrance	Strong Floral
Stability	2 years in unopened containers
Statutory Conditions	All biocides contained within Clean and Clever products fully comply with the EU Biocidal product Directive 98/8/EC, ensuring a high level of protection for humans, animals and the environment.

Environmental Profile

All surfactants contained in **Clean and Clever** products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO₂ and water.
