

FP6 Ultra Shine

Premium Wet Look Polish

NW: 11040

Product Uses For all linoleum, P.V.C., rubber, sealed cork, sealed wood, terrazzo and thermoplastic floors. **N.B.** Not suitable for unsealed wood, unsealed cork or laminated flooring

Directions FP6 Ultra Shine must be applied to a clean dry floor. If required strip old polish with FS1 Floor Polish Stripper or 4-Hygiene Alkaline Heavy Duty Stripper. Apply a thin even film using a clean lint free mop or applicator. Apply a second coat when the first is dry (approximately 30 minutes). Additional coats enhance the finish. May be readily maintained with 4-Hygiene Gloss Spray Shine or FM1 Floor Maintainer Coverage rate: 60 square metres per litre.

Composition	An advanced blend of styrene/acrylic polymer, wax, wetting agents, film-forming agents and preservative in a water based emulsion form incorporating metal cross linking additives.
Appearance	Clear thin liquid
Colour	Blue
Cloud Point	>60
Density	1.014
pH	>13.5
Fragrance	Slight solvent
Stability	2 years in unopened containers
Storage	Protect from freezing

Environmental Profile

All surfactants contained in **Clean and Clever** products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
