Environmental Profile

All surfactants contained in **Clean and Clever** products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO₂ and water.

Description of Product

Super strength formulation removes even the toughest grease and grime. Low foaming, specially designed for machines with suction driers. Ideal for cleaning large warehouses, rapid grease cutting ensures only one pass of the machine is required. Unperfumed, product will not taint in food storage areas.
