

Soft Care Soft

Natural based soap

Description

Soft Care Soft is a natural soap based handwashing product, specially developed for use in areas where frequent handwashing is required, such as healthcare.

Key properties

Soft Care Soft is a mild hand cleanser based on natural soaps. The effective soap blend ensures excellent removal of (greasy) soil whilst delivering superior sensory properties. The soaps are mild to the skin, thus avoiding excessive degreasing, cracking and dryness. In addition it contains moisturizers providing skin care.

Consequently **Soft Care Soft** is especially suitable for application in areas, where people need to wash their hands frequently, such as healthcare and kitchens.

Soft Care Soft has been formulated in accordance with the European Cosmetics Directive and as such is safe when applied according the directions for use.
