Room Care R2

Hard surface cleaner and disinfectant

Introduction to Room Care

A complete solution for perfect housekeeping cleaning

Room Care is unique total system designed to offer the complete cleaning solution to all housekeeping cleaning and disinfection tasks. It is including chemicals, tools and methods to cover any room cleaning needs, adapted to any hotel sizes and housekeeping structures.

Superior formulation adapted to deal effectively and safe with all the cleaning and disinfections requirements of housekeeping, easy to recognize product names as well as colour coding throughout the system, a set of dedicated tools, accessories and machines make Room Care the perfect choice.

All Room Care products come with the same “Fresh Linen” signature fragrance designed for the lodging industry. It utilizes the O.N.T technology for effective malodour neutralization and long lasting fragrance.

From ready to use to dilution control – the Room Care range covers them all

- The ready to use Room Care products, especially designed for the smaller hotel sites who want the convenience and simplicity of ready to use with professional results
- The concentrated Room Care products, especially designed for medium to large hotels sites, are the most eco-responsible solution
- The range requires low training and brings efficiency, simplicity and safety to the housekeeping cleaning operations

Product description

Room Care R2 is a ready to use cleaner and disinfectant for all water-resistant hard surfaces.

Key properties

- Formulated for the cleaning and disinfection of hard, water-resistant surfaces such as telephones and bathroom fittings
- Slightly alkaline
- Non-abrasive
- Light, delicate but hence fresh fragrance
- Unique, patented Odour Neutralizing Technology (O.N.T.)

Benefits

- Quickly and gently removes oily and water-soluble residues
- Regular use hinders limescale build-up
- Reduces the risk of accidental bacteria cross-contamination
- Neutralizes malodour molecules and therefore enhances the perfume effect
- Leaves behind a long-lasting pleasant scent
- Colour and alphanumeric codes to prevent application mistakes

Room Care R2

Use instructions

Dosage:

Ready to use. Apply undiluted.

Application:

Spray a small quantity onto a damp cloth/sponge pad and clean the surface. Rinse with fresh water or wipe with a clean, damp cloth. Buff with a dry cloth for extra shine.

For more detailed application, please refer to Room Care R2 mini guide.
