

# Mini Guide - Carefree Satin

Available in 5 litres

## Use for polishing:

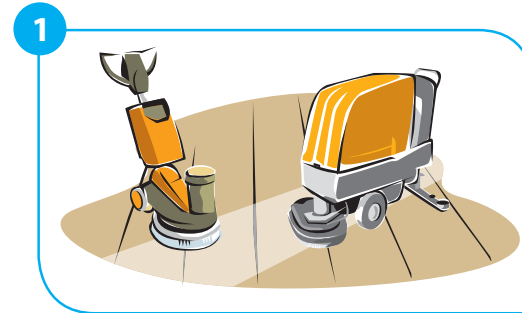

Vinyl, linoleum, stone, sealed wood and cork

## Keeping safe:

- Non-classified
- Ventilate

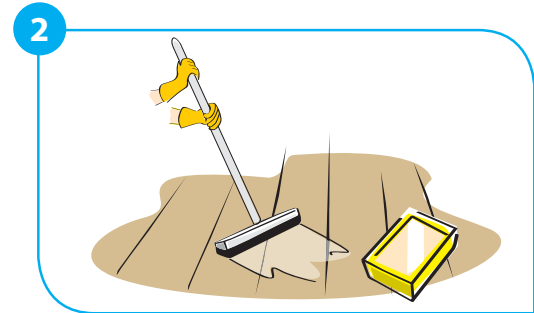

## Using...

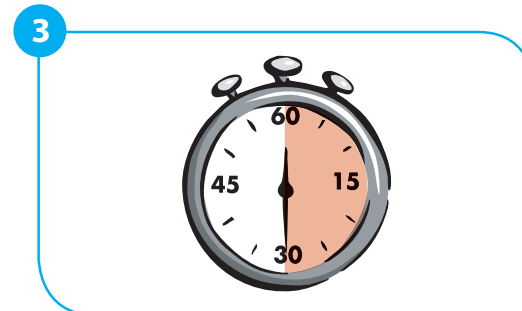

### Prepare:

Strip off old polish.  
Remove slurry.  
Damp mop and dry.

### Protect:

Apply thin coat of Carefree Satin using an applicator or mop 6 inches from the wall, using a figure of 8 motion with overlapping passes.

Allow to dry for 30 minutes or longer. When dry, apply second and subsequent coats to the edge of the floor.

### Maintain:

Machine scrub/damp mop or spray clean using Carefree Maintainer. Do not machine maintain for 24 hours.
