

Suma Auto Oven Clean

Liquid oven cleaner

Description

Suma Auto Oven Clean D9.10 is a concentrated oven cleaner for ovens with an automatic cleaning option.

Key properties

Suma Auto Oven Clean D9.10 is a concentrated liquid oven cleaner. It has been specially formulated for use in ovens with an automatic cleaning program. The product contains an alkaline ingredient and surfactant for removal of fats and proteins. It also contains scale control agents to keep the oven free from scale.

Benefits

- Ensures very efficient removal of grease
- Ensures very shiny surfaces after cleaning in combination with Suma Auto Oven Rinse D9.11

Use instructions

Suma Auto Oven Clean D9.10 is dosed automatically into the oven by means of integral dosing pumps. Actual dosage levels are determined by the cleaning programs of the oven. For detailed instructions on programs to be used consult the oven guidelines. For instance, for heavier soiling longer cleaning programs might be recommended.
