

Brillo® Washing Up Liquid

The professional choice for kitchen cleaning

- Fast and efficient cleaning
- Highly concentrated formulation
- Fresh citrus fragrance

Fast and efficient cleaning

- Brillo Washing Up Liquid contains a blend of highly active grease cutting ingredients. This grease dissolving system allows the product to go straight to work on soils making washing-up quicker and easier and leaving crockery, cutlery, glassware, pots, pans and utensils clean and smear free.

Highly concentrated formulation

- Brillo Washing Up Liquid's highly concentrated formulation leaves sparkling clean results every time and also means more cleaning for your money. Its controlled and long-lasting foam keeps on working on soils and ensures exceptional performance with great all round results.

Fresh citrus fragrance

- Brillo Washing Up Liquid has a fresh fragrance and long-lasting foam. This product is effective in all water conditions. Available in a range of pack sizes (1 litre, 5 litres and 20 litres) to ensure ease of use and economy.

Brillo Washing Up Liquid

Specially formulated for caterers, hotels, canteens and licensed premises, Brillo Washing Up Liquid is synonymous with tough cleaning and degreasing jobs on crockery, cutlery, glassware, pots, pans and utensils.

Use instructions

- Dilute in sink to appropriate concentration for hand-washing, typically 1 part in 1500 parts of water (30mls/45lts).
- Rinse and dry hands well after use.
- If prolonged contact is necessary, wear suitable gloves.

Top tips

- Scrape and discard food waste and dispose of in bin.
- Wash in the following order: glass, cutlery, crockery, cooking utensils and pans.
- Leave to drain and air dry, as cloths increase the risk of cross-contamination.
