Using...

1

Empty any dregs from cups into the sink and rinse away, ensure sink is disinfected before sanitising cups. A washing up bowl can be used instead of using hand basin.

2

Fill sink with warm water, add Titan Sanitiser.

3

Totally immerse cups, glasses, saucers etc. and leave for at least 5 mins.

4

Rinse items thoroughly in hot water to remove all washing solution.

5

Dry with disposable paper.
