

# Persil

## Persil Professional Biological Powder

### Benefits

- Biological action
- Best ever stain removal
- Wash booster technology

### Key Properties

Improved Persil Bio cleans tough stains even in a quick wash. With an improved and long lasting fragrance, the formulation contains wash booster technology which removes stains such as mud, grass and chocolate ice cream. Wash booster works particularly well on greasy and oily stains on the quicker and cooler programmes of your washing machine – giving you our best ever stain removal.

### Biological action

- A biological product contains enzymes. These enzymes are highly efficient stain removal ingredients that work at low temperatures.
- Outstanding results even at 15°C.
- Contains bleach and brightening agents to help keep whites white
- Suitable for both whites and colours. For best protection of coloured articles, use Persil Colour.

# Persil Professional Biological Powder

## Use instructions

Use powder in the dispenser drawer.

Do not overload your washing machine. Not suitable for use on silk and wool.

Always check the article's care label and follow washing instructions.
