

TASKI® Sprint Ammo

Multi purpose cleaner, ammonia-based

Description

Multi purpose cleaner ideal for cleaning floors and walls.

Key properties

- Alkaline formulation with very good emulsifying power
- Ammonia perfumed
- Low foaming
- Unique, patented Odor Neutralizing Technology (O.N.T.)

Benefits

- Excellent dirt removing ability
- Leaves a light, fresh scent of ammonia
- No rinse action needed, suitable for cleaning large surface areas such as floors and walls

Use instructions

Dosage:

TASKI Sprint Ammo is available in various pack sizes and is dosed manually (standard concentrate). For detailed information regarding the dosage, please refer to the Technical data table. Proper dosage saves costs and minimizes environmental impact.

Application

Spray method:

- Spray the solution on a damp cloth and wipe
- Use a sponge pad to remove stubborn soil
- Rinse or replace the cloth regularly

Bucket method:

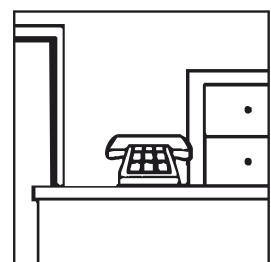

- Apply the solution with a cloth/sponge or mop and wipe
- Use a sponge pad to remove stubborn soil
- Rinse the surface with clean water and wipe dry

Wet mopping method:

- Apply the solution with a mop and remove soiled solution
- Rinse the surface with clean water

Machine:

- Fill in the solution into the full water tank of a single disc machine or scrubber drier using the high flow eductor through the filling gun
- Apply the solution, allow if necessary and remove the soiled solution
- Rinse the surface with clean water
