Brillo®
Oven Gel Cleaner

The professional choice for kitchen cleaning

- Powerful cleaning
- Gel formulation
- Simple to use

Powerful cleaning

- Professionally formulated for deep cleaning and degreasing of larger ovens, ranges, grills and griddles. Brillo Oven Gel Cleaner is a powerful caustic gel suitable for cleaning in kitchen and food preparation environments.

Gel formulation

- The gel formulation clings to vertical surfaces and ensures increased contact time with the soils for more effective cleaning. It cuts through tough grease and easily removes burnt-on carbon deposits.

Simple to use

- Brillo Oven Gel Cleaner is easy to use and saves time and labour. Simply spray the neat product onto the surface to be cleaned, leave to work and rinse off (no need for scrubbing). The spray gun applicator ensures easy and controlled application with no spills or waste.

Brillo Oven Gel Cleaner

Brillo Gel Oven Cleaner is a ready to use oven and grill gel cleaner with a highly effective formulation providing deep cleaning and degreasing of ovens.

Use instructions

- Before use, unscrew cap and fit spray unit.
- Spray Brillo Oven Gel Cleaner evenly over the surfaces to be cleaned.
- Allow up to 20 minutes contact time.
- Clean loose deposits with a damp cloth or scouring pad.
- Rinse thoroughly with clean water and wipe dry.

Top tips

- After use, flush spray unit through with water.
- Avoid product coming into contact with aluminium, painted surfaces, chrome and plastic trim.
- Do not use on self cleaning ovens.
