

Suma[®] Multi

All purpose cleaner

Description

Suma Multi D2 is a concentrated all purpose detergent for cleaning of hard surfaces in food premises, including floors, walls, doors, ceilings and general equipment.

Key properties

Suma Multi D2 is a mild alkaline liquid detergent suitable for manual cleaning of all surfaces in the kitchen. It is an optimal blend of anionic, nonionic surfactants and alkali, which makes it effective for removal of grease and dried-on food. The sequestrant in the formulation makes it suitable for all water conditions and does support cleaning performance.

Benefits

- Highly concentrated formulation gives economy in use
- Cuts through grease and dried-on food soiling and leaves a sparkling clean surface
- Effective in all water conditions
- Multi purpose and suitable for use on most surfaces including aluminium and other soft metals.

Use instructions

For controlled dosing the product can be used via the Diversey Care QFM system.

Spray Cleaning:

1. Minimum recommended dosing of 5 ml* to 750 ml of water into a spray bottle
2. Spray surface with solution and clean with damp cloth
3. Rinse food contact surfaces with clean water and allow to air dry

General Cleaning:

1. Minimum recommended dosing of 5ml/l* of hand warm water
2. Clean surfaces using cloth, brush or mop system
3. Rinse food contact surfaces with clean water and allow to air dry

Floor cleaning:

1. Minimum recommended dosing of 5ml/l* in hot water
2. Apply solution with mop
3. Remove dirt with the mop

Actual dosage will depend on site conditions (water hardness, degree of soiling, procedures).

**This dosage is according to optimal conditions, recommendations may vary, please consult with our Diversey Care representative.*
