

# Suma<sup>®</sup> Break Up

Aluminium safe, heavy duty degreaser

## Description

Suma Break Up D3.5 is a concentrated liquid degreaser for cleaning of heavily soiled surfaces in the kitchen.

## Key properties

Suma Break Up D3.5 is an alkaline liquid detergent suitable for manual cleaning of all heavily soiled surfaces in the kitchen, like floors, equipment, cooker hoods and cooker tops. It is an optimal product for wetting of surfaces and effective removal of all kinds of grease and dried-on food. The formulation is balanced in such a way that the product is safe for use on aluminium surfaces.

Suma Break Up 3.5 is especially suitable for cleaning of floors either manually with a mop system or with low pressure spray equipment.

## Benefits

- Powerful formulation cuts through heavy grease and leaves clean and shiny surfaces
- Dissolves soil and holds it in solution, preventing redeposition
- Formulated to be safe for use on aluminium
- Suitable for use in foaming equipment

## Use instructions

Minimum recommended dosing of 10 ml of Suma Break Up D3.5 per litre of hand hot water, dependent on the soil level and application.

For controlled dosing the product can be used via the Diversey Care QFM system.

## Cleaning method - general

1. Apply solution to surface with cloth, pad or low pressure spray equipment.
2. Clean with cloth or brush.
3. Rinse with clean water and allow to air dry.

## Floor cleaning

With a mop:

1. Minimum recommended dosing of 10ml/l\* in hot water.
2. Apply the solution with a mop.
3. Clean and remove the dirt with a mop.
4. Rinse with clean water and allow to air dry.

With floor scrubber and squeegee / wet vacuum cleaner:

1. Minimum recommended dosing of 10 ml/l\* in warm water.
2. Apply the solution with floor scrubber or with low pressure spray equipment.
3. Remove dirt with squeegee or wet vacuum cleaner.
4. Rinse with water and remove again with squeegee or wet vacuum cleaner.

*\*This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey Care representative for directions.*

Aluminium safe, heavy duty degreaser

## Fryer cleaning:

Weekly clean:

1. Drain oil and close valve
2. Fill with hot solution (50ml/L) of Suma Break Up D3.5 to almost oil fill level
3. Allow 10 – 15 minutes contact time; scrub sides before draining
4. Scrub remaining residues from side walls and heating elements with a scourer pad or brush
5. Rinse twice with clean, hot water and allow to air dry

Periodic deep clean:

1. Drain oil and close valve
2. Fill with hot solution (50ml/L) of Suma Break Up D3.5 to almost oil fill level
3. Turn on fryer and bring to controlled boil for 15 minutes; scrub sides before draining
4. Scrub remaining residues from side walls and heating elements with a scourer pad or brush
5. Rinse twice with clean, hot water and allow to air dry

## Technical data

Appearance	clear yellow liquid
pH neat	12.8
pH 1% solution	11.0
Relative density [20°C]	1.10

*These figures are typical values and should not be interpreted as specifications.*

## Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Store in original container. Avoid extremes of temperature.

## Product compatibility

Under recommended conditions of use, Suma Break Up D3.5 is suitable for use on materials commonly encountered in the kitchen including aluminium.
