

TECHNICAL INFORMATION SHEET

MIRAGE CITRUS

Code No. 19038

INTRODUCTION

First class results can only be achieved using the correct equipment and products within the framework of a regular cleaning programme. The range of products enables the user to select those with precisely the right characteristics for the various tasks within any housekeeping department.

In the case of difficulty in making the correct choice or for further information on Premiere's cleaning systems and extensive range of cleaning and maintenance chemicals, equipment and machines, contact the local Premiere Representative or the Head Office in Cheltenham.

MIRAGE CITRUS

A high quality silicone wax polish with a lemon fragrance which leaves a brilliant shine on all hard surfaces. Especially recommended for wood.

DIRECTIONS

Always wear the appropriate protective clothing and read product label and material safety data sheet before use.

APPLICATION

Shake well before each use. Spray sparingly on to a duster spread over the surface. Buff with a clean duster folding as necessary and replacing as and when required.

Avoid any inhalation of airborne mist when using aerosol spray products.

CLEANING ACADEMY

The Technical Staff in the Cleaning Academy can ensure that the correct equipment and methods are used and our consultants can provide on-site training and advice. A range of training courses and City & Guilds qualifications are available.

HEALTH AND SAFETY INFORMATION

Appropriate Health and Safety information is detailed on the individual product label or relevant material safety data sheet.

Urgent professional advice regarding First Aid may be obtained by contacting the nearest regional centre of the National Poisons Information Service (NPIS), where all products are registered.

SHELF LIFE

The shelf life of this product is 24 months when stored in unopened original containers at ambient temperature.

PACKAGING

6 x 400 mls

Premiere Code No. 19038

No liability is accepted for any loss or damage arising directly or indirectly from the use of the Company's products, or from the use of the information given in its publications; neither is any warrant given or implied of freedom from patent rights. Prospective users should, therefore, satisfy themselves by appropriate trials that the product to be used is suitable for the intended use and that such use will not infringe any patent.

We continue to reserve the right to alter designs of any products as part of a further process of improvement and products supplied may therefore vary from those detailed on this Technical Information Sheet.

QUALITY APPROVALS

BS EN ISO 9001

All products manufactured to Premiere formulations are processed conforming to appropriate standards within the Quality System described in the Quality Manual and comply with the requirements of ISO 9001.

Cert No.
0947290
